Discovering the JARDIN D'ALTITUDE du Haut Chitelet

Hi !

My name is Plant Tastic !
I'm the garden mascot.
Today, let's discover mountain plants and
animals that live in the Vosges !

Don't forget that the most important thing
is to learn while having fun !

Come on, let's go !

Congratulations !

You've answered every question : you're
now a real explorer.

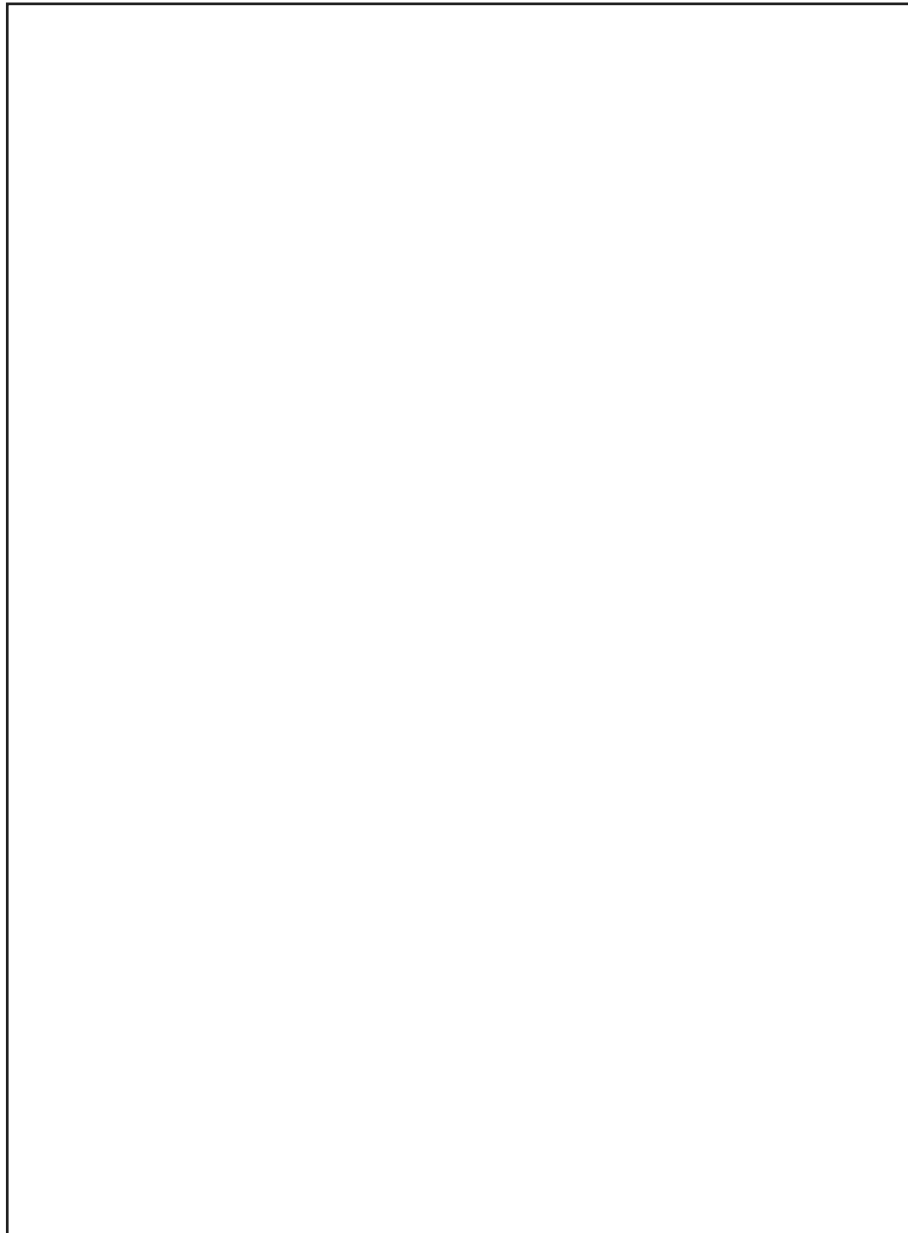

The solutions are available at the front
desk, or on the Internet here :

some coloured pencils under the hut.

Good bye, and see you soon !
